Dear Members of the UCR Graduate Off-Campus Fellowship Selection Committee,

This letter is to confirm IPAC's support for Aryana Haghjoo's application for the Graduate Off-Campus Fellowship and our willingness to host her as a Visiting Student Researcher at Caltech in Pasadena, California. The duration of her stay will be from June 21, 2027, to September 11, 2027.

IPAC guarantees the provision of the necessary specialist support and access to infrastructure as Aryana Haghjoo continues her work on the NASA Roman Grism Super-Resolution Network.

Aryana Haghjoo will be provided with a visitor office, phone, and other facilities available to IPAC staff members, including invitations to our department meetings and seminars.

We look forward to welcoming Aryana Haghjoo to IPAC at Caltech in summer 2027 and anticipate that it will be a productive and rewarding experience. Please feel free to contact my office should you require any additional information.

Sincerely,

Shoubaneh Hemmati
