
Dissertation Timeline

Off-Campus Work Justification. * In 300 words, write an off-campus justification statement explaining why your work must be conducted off campus. Include the specific resources or opportunities available at the location, what you will do there, and how it supports your academic or professional goals.

Timeline. * In 500 words or less, please provide a detailed timeline for the completion of your dissertation. Indicate when you expect to finish all research components or projects, as well as when you plan to begin writing and when you anticipate completing the dissertation.

What are your career goals?*

Please upload a copy of your CV, Biosketch, or Resume. *
